About
Ascentium Indonesia

Ascentium is a leading global business services platform dedicated to helping businesses and individuals scale greater heights. Headquartered in Singapore, we support growth through expert people, purpose-led technology, and a strong commitment to service excellence.

Ascentium Indonesia supports companies expanding into and operating in Indonesia with market entry, corporate, compliance, and operational solutions. With over a decade of industry experience, our team helps businesses navigate local regulations, establish the right structure, and manage ongoing requirements with greater confidence.

From business setup to regulatory compliance and operational support, we help organisations build a stronger foundation for sustainable growth in Indonesia.
